Getting Started

To fully use the system, first, download the application called XAMPP. It is a free local web server intended for web applications.

(Photos retrieved from: <http://www.wikihow.com/Install-XAMPP-for-Windows>)

1.1 INSTALLING XAMPP

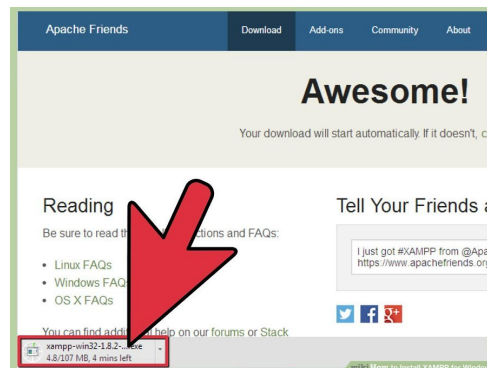

1. In any web browser, go to <https://www.apachefriends.org/index.html>.

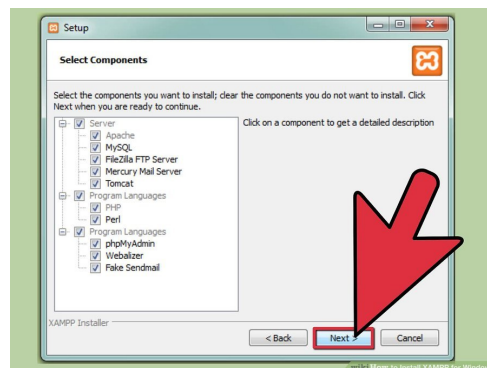

2. Click the **Download** button.

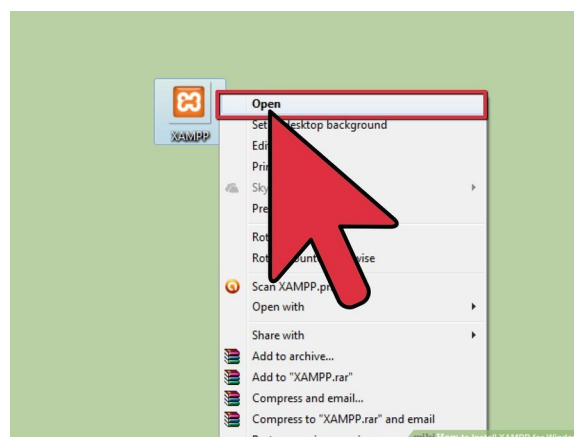

3. Install the program.

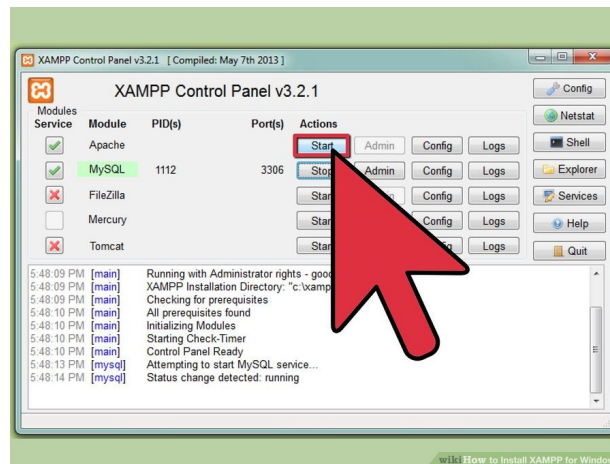

4. A prompt will appear and offer options on installing XAMPP. Accept the default settings.

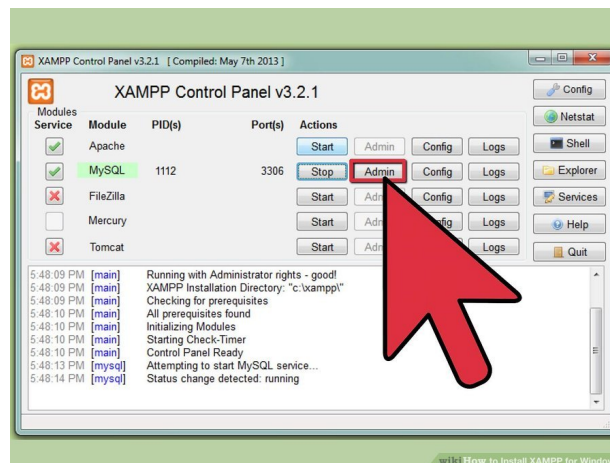

5. After the installation process, open the XAMPP application.

6. Click on the **Start** button for the Apache and MySQL components.

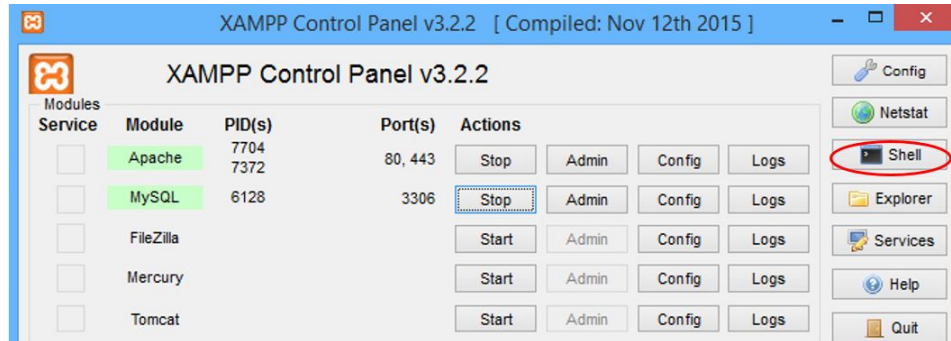

7. Verify the MySQL and Apache installation by clicking the **Admin** button in the XAMPP control panel. (Note that if the verification steps are successful, by opening the browser and typing “localhost” on the address bar, it will redirect to a page telling that XAMPP was successfully installed on the system.)

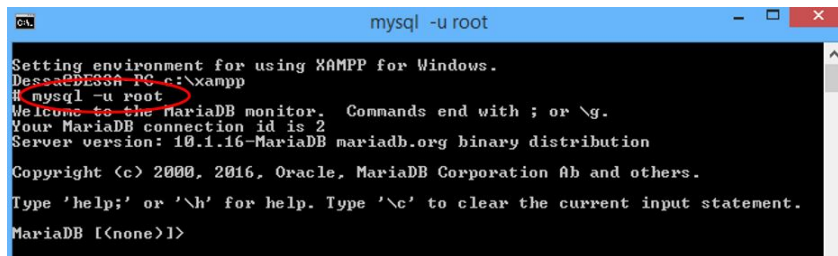

1.2 ACCESSING THE SYSTEM

1. On the XAMPP Control Panel, click the Shell button.

2. When the Shell is displayed, enter “mysql –u root” (excluding the quotation marks), then press **Enter**.

3. A welcome note will appear, displaying all the details of the connection. Enter: “create database batangoble_db;” (excluding the quotation marks), then press **Enter**.

```
MariaDB [(none)] > create database batangoble_db;
```

4. Locate the path where XAMPP is installed. It is usually on the C: drive of the PC. Place the folder of the system named “batangoble_db” in the folder *htdocs* under the *xampp* folder.
5. Go to the browser (preferably Google Chrome) and type on the address bar:

```
localhost/Name of Database System Folder/batangoble_db.php
```

and press **Enter**.

6. Type on the address bar :

`localhost/Name of Database System Folder/index.php`

and press **Enter**. It will redirect to the Home page.

However, if the server is already up, skip steps 1-4 and directly go to the browser.

2

Operating the Database System

2.1 ADDING A STUDENT

1. From **Home** page, click the **Add** Button on the Navigation Bar and a drop-down menu will appear below the button.
